

Innovative Mosquito Trap

M  **OSCLEAN**

Innovative Mosquito Trap

World's Best UV LED + CO₂

Innovative Mosquito Trap

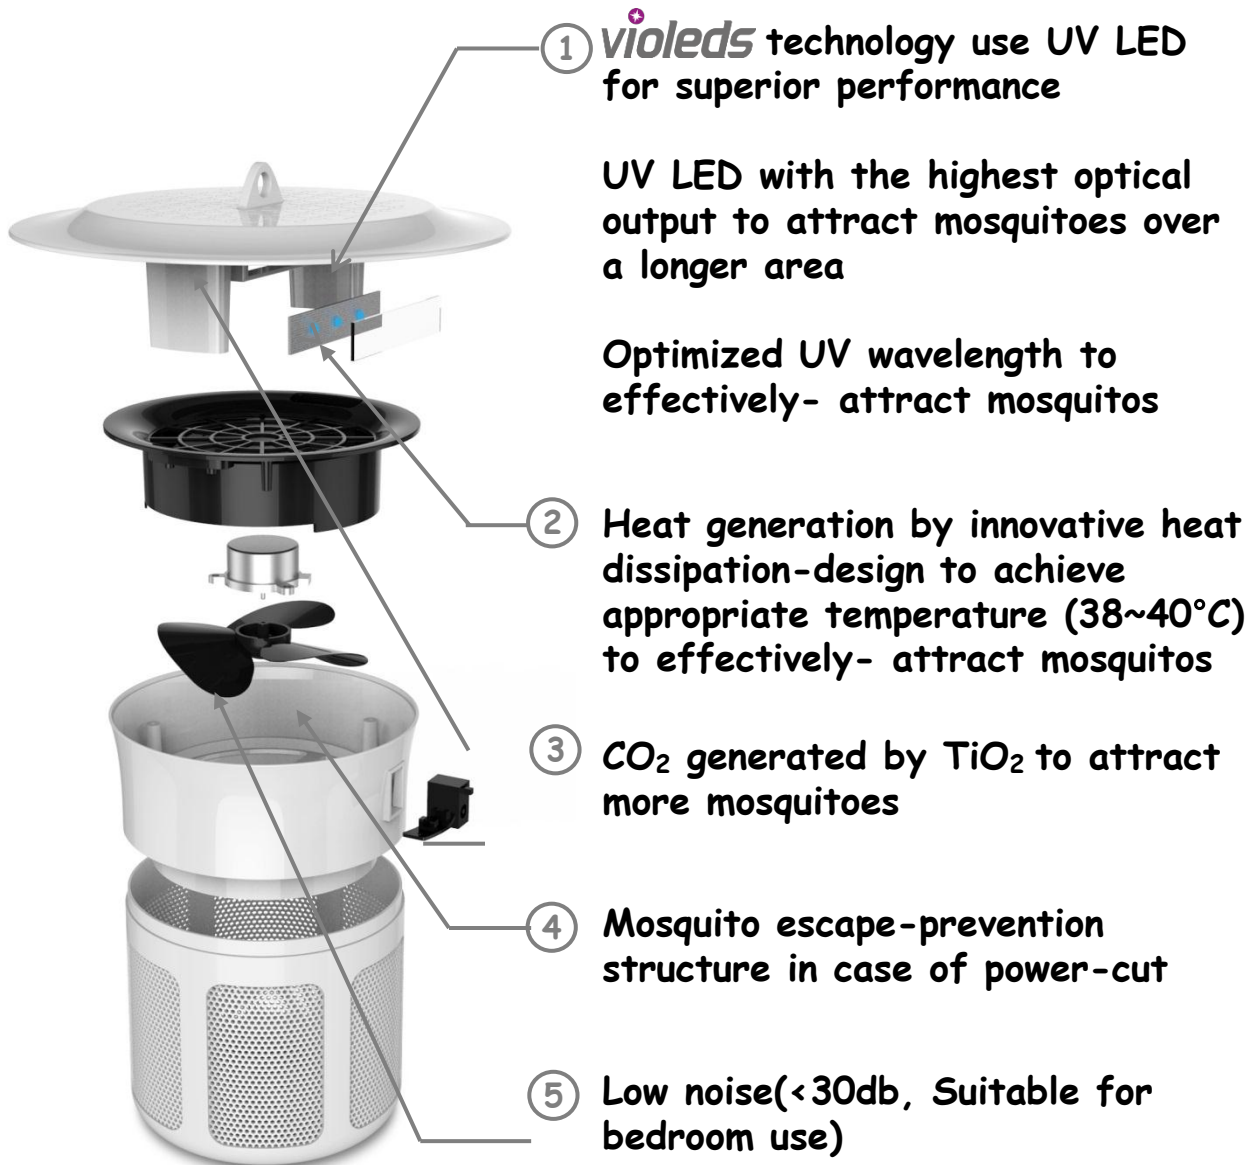

Specification

Product name	MOSCLEAN
Color	Black, White
Mode of action	Dehydration
Size	200 (Ø) mm × 232 (H) mm
Color	Black (or white)
Weight	359g
Light source	365nm LED 6EA
Noise	< 28.3 dBA
Power consumption	12V 0.22A, 4W(Max)
Power	DC 12V SMPS, 100~240V
Installation	Hanging hook / Stand alone

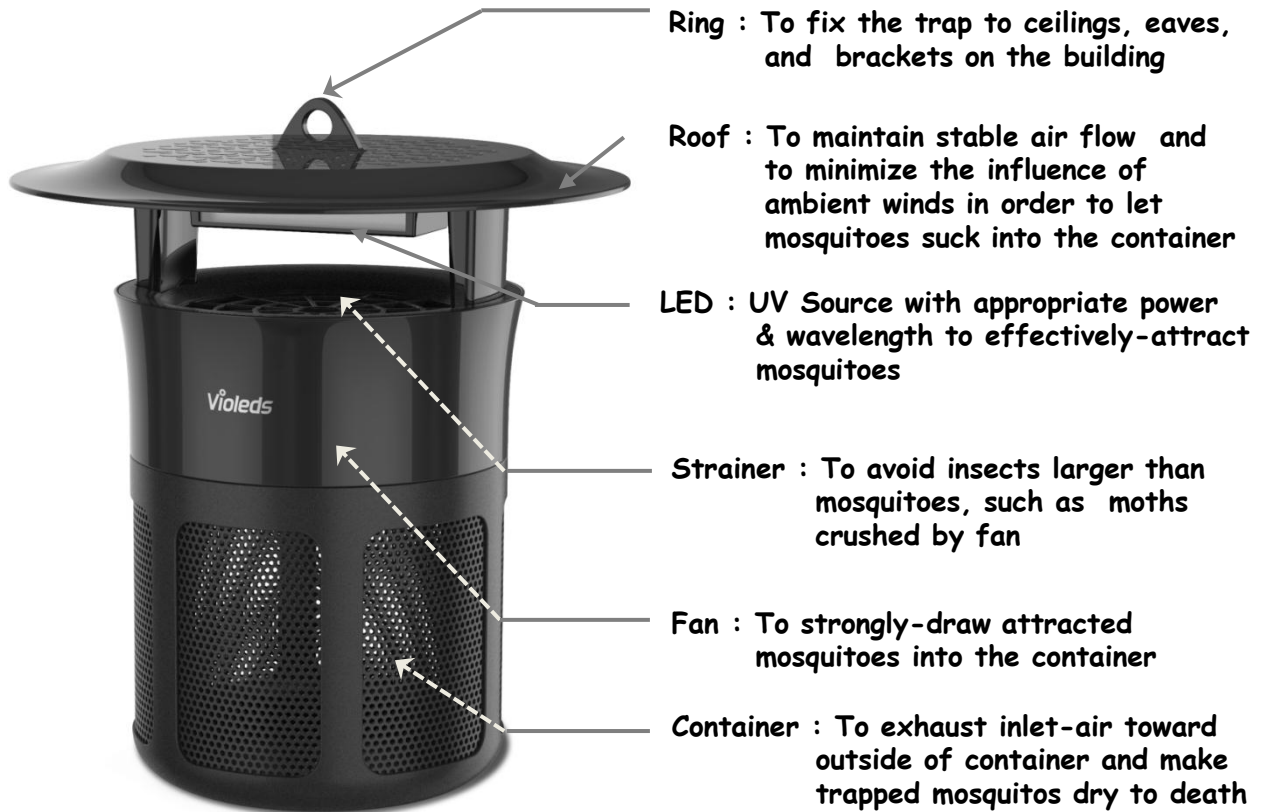

Innovative Mosquito Trap

Distinctive Features

Innovative Mosquito Trap

Distinctive Features

- ❖ Low power consumption & highly-efficient UV LED
- ❖ No chemicals, no gas, and no refill
- ❖ Eco-friendly light source
- ❖ Easy to set up & easy to use
- ❖ Highly competitive capture performance versus mercury lamp
- ❖ Quiet operation without noise by electronic spark
- ❖ No scattering debris in the air
