

# LED Exit Signs

## Product features:

- Light source: Use LED packages of high efficiency, long lifetime, natural light.
- Structure: Lamp body made from aluminum alloy
- Optical system: Mica light diffuse surface creates a clear illumination
- UPS: Ni-Cs 400mAh battery, charging time: 20 hours.
- Back-up battery run time: 180 minutes
- Working temperature: -10°C ÷ 45°C
- Applied standard: TCVN 7722-1:2009/ IEC 60598-1:2008

## Economic efficiency:

- Replace exit signs using compact lamps
- Saves over 50% of electricity used compared to compact fluorescent lamps

## Applications:

- Used in Buildings, supermarkets, restaurants, hotel, etc.

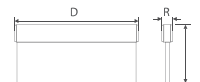

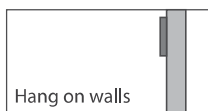

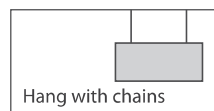

D CD01 40x20/2,2W (1 mặt)

D CD01 40x20/2,2W (2 mặt)

## INSTALLATING INSTRUCTION

No	Model	Voltage	Power	Battery capacity	Lighting time	Full charging time	Dimension (DxRxC)
		V/Hz	W	mAh	h	h	mm
1	D CD01 40x20/2,2W (One Side)	220/50	2.2	400	3	20	395x25x202
2	D CD01 40x20/2,2W (Two Side)	220/50	2.2	400	3	20	395x25x202
