

reddot award 2018

# HB06 HiClean-Plus

NSF & HACCP

Winner of the Red Dot Award, HiClean Plus is a break through design in industrial lighting. The smooth housing is combined with aesthetic taste and dust-proof features. On the basis of highly efficient heat dissipation solution, our design concept is "UNIBODY", which leads the way in highbay lights.

**LumiOne**  
SMART LIGHTING SOLUTIONS

## Features:

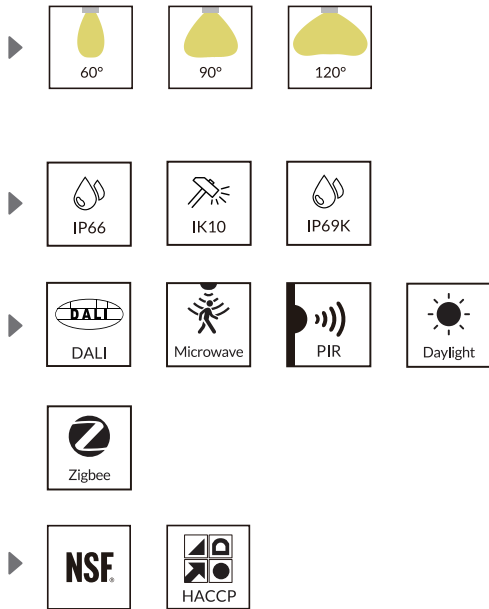

- Performance food-grade highbay.
- 2 sizes covering 100-200W.

- RedDot award design.
- NSF/HACCP Approval.

- Power select optional.
- Suspension mount & NPT mount optional.

Code	Watt	Efficacy(Ra70)	Lumen(±10%)	N.W/pc(kgs)	Size(DxHmm)
LO-HB06-100	100W	150lm/W	15,000lm	4.5	Ø380×163
LO-HB06-120	120W	150lm/W	18,000lm	4.5	Ø380×163
LO-HB06-150	150W	150lm/W	22,500lm	4.5	Ø380×163
LO-HB06-200	200W	155lm/W	31,000lm	6.9	Ø489×200
