

Professional Stadium Lights

LR580 Series

- *OSRAM LED Chips;
- *Super narrow beam angles to 6 degree;
- *Air flow 4D heat dissipation technology;
- *With a laser pointer that installs in 2 seconds;
- *Applicable for FIFA/ UEFA stadiums;

840W~1500W

840W Weight: 33 KG
Remove driver: 27.8 KG

1020W Weight: 33 KG
Remove driver: 27.8 KG

1280W Weight: 35 KG
Remove driver: 27.8 KG

1500W Weight: 39 KG
Remove driver: 27.8 KG

180-528V AC high voltage power supply design, can replace the traditional lamp directly.
